ASTSWMO Mid-Year Meeting

April 27 - 28, 2016

Omni William Penn Hotel

Pittsburgh, PA

Day 1: Wednesday, April 27, 2016

6:45 – 8:00 am **Meeting Check-In** (*There will be no on-site registration*)

Location: Riverboat Corridor

Light continental breakfast will be available.

The morning plenary and keynote sessions will be held in the William Penn Ballroom.

8:00 – 8:20 **Welcome and Opening Remarks**

Speakers:

- Bonnie Buthker (OH), ASTSWMO President
- Barry Breen, Deputy Assistant Administrator, EPA OLEM
- Mike Forbeck (PA), ASTSWMO Past-President

8:20 – 8:35 **Ellis School: Future City Competition Presentation**

Introduced by: Mike Forbeck (PA), ASTSWMO Past-President

Future City starts with a question: how can we make the world a better place? To answer it, 6th, 7th, and 8th grade students imagine, research, design, and build cities of the future that showcase their solution to a citywide sustainability issue. Past topics have included stormwater management, urban agriculture, and green energy. This year's topic was waste management.

Students present their solutions via a virtual city design (using SimCity); a 1,500-word city description; a scale model; a project plan, and a presentation to judges at Regional Competitions in January. Regional winners represented their region at the National Finals in Washington, DC this past February. After the competition is over, student participants are not only prepared to be citizens of today's complex and technical world, they are poised to become the drivers of tomorrow.

Ellis School Team:

- Maggie Ginter-Frankovitch, 8th Grade
- Lela Krackow, 8th Grade
- Mishon Levine, 8th Grade

8:35 – 9:15 **Keynote Presentation**

Maria Rose Belding, Executive Director and Co-Founder of MEANSDatabase

Introduced by: Dania Rodriguez, ASTSWMO Executive Director

As we look to the future of the next generation of leaders in the non-profit, environmental and volunteering worlds, we only have to look to Maria Rose Belding and know that the future looks bright! Maria Rose will discuss how she and co-founder Grant Nelson created the Matching Excess and Needs (Means) Database, which helps connect food banks and pantries with donors. They are working to make donating food easy and as their website states: waste less – feed more!

9:15 – 10:15 Plenary Session

Moderator: Mark de Bie (CA), ASTSWMO Vice-President

This is an interactive session that will focus on our meeting's theme using State approaches.

Speakers:

- Jeffery Steers, Director of Central Operations, VA DEQ
- Cindy Money, Lean Coordinator and Training Manager, OH EPA

10:15 – 10:40 BREAK

10:40 – 11:40 Plenary Session

Moderator: Bonnie Buthker (OH), ASTSWMO President

This session is a continuation of the theme, but will focus on the federal government approaches to succession and long-term planning.

Speakers:

- Barry Breen, Deputy Assistant Administrator, EPA OLEM and Michelle McClendon, EPA OHR
- Maureen Sullivan, Deputy Assistant Secretary of Defense, ESOH

11:40 – 12:00 Keynote Presentation

12:00 – 1:45 LUNCH ON YOUR OWN

1:45 – 3:05 PROGRAM BREAKOUTS

Joint Brownfields, CERCLA & Federal Facilities Session: The Hazardous Ranking System (HRS) and Vapor Intrusion

Room: Frick

Moderators: Gabriele Hauer (IN), Site Assessment Focus Group Chair, and Kyle Newman, Virginia DEQ

This session will focus on the proposed rule to add a subsurface intrusion component to the Hazard Ranking System. This added component allows a HRS evaluation to directly consider human exposure to hazardous substances and enables subsurface intrusion contamination to be evaluated for placement of sites on the National Priorities List.

Speakers:

- Lorie Baker, NPL Coordinator, EPA Region 3
- Peggy Williams (MD), NPL/Site Assessment Section Head

Hazardous Waste Session: Training Tools for the Hazardous Waste Program; Updates of EPA Office of Compliance Activities - Open to Government Agency Representatives Only

Room: Riverboat

Moderator: Tammie Hynum (AR), Hazardous Waste Subcommittee Chair

This session will address training as an element in long-term succession planning. It will cover tools available from EPA that provide both background and initial training in hazardous waste inspection and other program aspects for new employees in State and Territorial (State) hazardous waste programs, as well as refresher training. Cross-program training aspects of tools will also be highlighted. There will be time at the end of the presentations for State attendees to share the program training their States have or are preparing for new staff. The session will also focus on various issues addressed by the EPA Office of Compliance (OC), including updates of the Smart Mobile Tools for RCRA Inspectors project and RCRA Compliance Monitoring Strategy revisions.

Speakers:

- Christine Roob (ND), Program Information Management Task Force Chair
- Ed Messina, Director, Monitoring, Assistance, and Media Programs Division, EPA OC

Materials Management Session: A Local Focus on Environmental Management

Room: Phipps

Moderator: Bob Blankenburg (AK), Materials Management Subcommittee Chair

This session will feature the work of two organizations located in Pittsburgh, PA. Construction Junction is a non-profit building material reuse retailer whose mission is to support and promote conservation through the reuse of building materials. The PA Small Business Development Center located at the University of Pittsburgh has an Environmental Management Assistance Program that provides small businesses with environmental compliance assistance.

Speakers:

- Construction and Demolition Waste Reuse/Recycling: Mike Gable, Executive Director, Construction Junction, Pittsburgh, PA
- Pennsylvania Small Business Development Center's Environmental Management Assistance Program (EMAP): Lee Ann Briggs, EMAP Consultant, University of Pittsburgh Institute for Entrepreneurial Excellence

Speakers:

- Vincent Carbone, Senior Geologist, HDR Inc.
- Frederic Coll, Senior Project Manager/Remediation Manager, AECOM Management Services
- Ray Leclerc (CA), Acting Deputy Director for Brownfields and Environmental Restoration Program

Federal Facilities Session: FEDFacts: Information about the Federal Electronic Docket

Room: Riverboat

Moderator: Monica Sheets (CO), Federal Facilities Subcommittee Chair

In 2015, EPA introduced FEDFacts, an interactive website that contains cleanup status information related to Federal Facilities contained on the Docket. This session will provide an overview of the Docket and the FEDFacts website [<http://1.usa.gov/1SgsNMJ>], and include time for discussion on other tools available to share information about federal facility cleanups.

Speakers:

- Benjamin Simes, EPA FFRRO
- John Burchette, EPA FFRRO

Materials Management Session: Food Waste Reduction and Recovery

Room: Phipps

Moderator: Bob Blankenburg (AK), Materials Management Subcommittee Chair
