State Election and Coffee Break

The morning sessions will focus on the Next Generation of Remediation Theme.

9:30 – 10:15

Plenary Session: We can recycle everything we use, so, why don't we?

TerraCycle offers a range of free programs that are funded by conscientious companies, as well as recycling solutions available for purchase for almost every form of waste. This session will offer attendees an opportunity to learn about TerraCycle's broad range of sustainability concepts and activities.

Speakers: TBD

10:15 – 10:30 Coffee Break

10:30 -11:45

Plenary Session: Analytical Challenges with Emerging Contaminants - PFOS/PFOA

As State Environmental Agencies and State Laboratories try to address the lack of certified labs across the country to test the large amount of samples and data collected, speakers from the Association of Public Health Laboratories (APHL) and the Agency for Toxic Substances and Disease Registry (ATSDR) will discuss work underway to address this critical need.
