Hazardous	On-site storage	Storage
Non-Hazardous:		Post-Closure
Class 2 Industrial Solid Waste		

This permit is granted subject to the terms and conditions of the permit, rules of the Commission and other Orders of the Commission, and laws of the State of Texas. This permit does not exempt the permittee from compliance with the Texas Clean Air Act. This permit will be valid until canceled, amended, modified or revoked by the Commission, except that the authorization under the permit shall expire midnight, ten (10) years after the date of permit approval.

All provisions in this permit stem from State and/or Federal authority. Those provisions marked with an asterisk (*) stem from Federal authority and will implement the applicable requirements of HSWA for which the Texas Commission on Environmental Quality has not been authorized. Those provisions marked with a double asterisk (**) stem from federal authority only.

Issued Date:

Hazardous Waste Permit No. 44444
EPA ID No. TXD123456789
ISWR No. 55555
Original Date of Issuance: August 05, 2019

Process Enhancements

- In-depth review of permit processing timeline
- Combined processes to occur concurrently
- Potential 25% reduction in turnaround time
