

Property Line

GROUNDWATER PLUME

Groundwater Flow Direction

Scenario #1

- Contamination
 - Shallow groundwater
 - Onsite only
- Owned by Responsible Party

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?

Property Line

GROUNDWATER PLUME

Groundwater Flow Direction

Scenario #2

- Contamination
 - Shallow groundwater
 - Onsite only
- Owned by BFPP or Non-Responsible Party

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?

Scenario #3

- Contamination
 - Shallow groundwater
 - Onsite only
- Bankruptcy or Abandoned
- No BFPP interested

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?

Scenario #4

- Contamination
 - Shallow groundwater
 - OFFSITE migration
- Owned by Responsible Party

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?

Scenario #5

- Contamination
 - Shallow groundwater
 - **OFFSITE** migration
- **Owned by BFPP or Non-Responsible Party**

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?

Scenario #6

- Contamination
 - Shallow groundwater
 - **OFFSITE** migration
- **Bankruptcy or Abandoned**
- **No BFPP interested**

Questions

- What types of ICs can be employed?
- What programs? (VCP, Brownfields, UST, RCRA?)
- Usable groundwater ICs?*
- Who's responsible for long-term stewardship & costs?
- Annual Inspections/Submittals?
