Respondent Information

State: _____

Program: _____

Name of Responder: _____

Title: _____

Address: _____

Telephone: _____

Email: _____

Date: _____

To Begin:

The query is organized by exposure medium. There is an example form provided so that you can see the type of information that is being requested. Also, many cells have drop-down lists that allow you to select common answers. You can also directly type your answers into the spreadsheet. The form for each type of standard is located on a unique sheet in this workbook, accessible by clicking on the tabs at the bottom of your screen. The tabs look like this:

You can also click on these links to bring you directly to any sheet:

- [I. Soil Standards](#)
- [II. Groundwater Standards](#)
- [III. Surface Water Standards](#)
- [IV. Vapor Intrusion Standards](#)
- [V. Sediment Standards](#)
- [Example](#)
