ASTSWMO SUNSET POLICY

It is the policy of the Association of State and Territorial Solid Waste Management Officials (ASTSWMO) Board of Directors (Board) to review each position paper, policy statement and any other research document approved by the Board every five years after publication or last review. Any such document on the ASTSWMO website that has been published more than five years ago and does not explicitly state it has been reviewed and retained as an official document of ASTSWMO, either with revisions or as originally published, should be considered as a historical reference document only or will be officially sunset.

All sunset documents will be retained on the archived publications section of the ASTSWMO webpage.

Approved by the ASTSWMO Board of Directors on October 25, 2016 in Washington, DC.
