*No updated response received for 2017 survey.

¹ AZ: funding amounts appear lower than previous year based on improved data tracking.

² LA: State cannot provide a number of these values for our older sites on a release basis. Thus the submitted data is listed on a site basis. A number of these sites have/had multiple releases.

³ LA: Number of sites with a confirmed UST releases and were Non-Federal or State tanks. Total number of actual releases = 5588.

⁴ MI 2017 Update: Data provided is for reimbursement fund created on December 30, 2014.

⁵ TX: As of 09/01/2012, the fund is no longer available for corrective action at LPST sites unless the tank owner/operator is unknown, unwilling, or financially unable to pay for the cleanup. Those sites are handled through the State Lead program.

⁶ WV: No change to information for WV. WV does not have a state fund - the state insurance fund expended all remaining funds in 2003
