<sup>A</sup> Anticipated losses not yet incurred on insured tanks.

<sup>B</sup> Effective July 1, 2004, revenue increases to 5/7ths of 1 cent/gallon the commercial fund.

<sup>C</sup> Legislation diverts previously dedicated corporate Business Tax monies away from the UST Fund to fund other programs until such time as the balance of the UST Fund falls to the \$20 million level, at which time the annual dedication of these tax monies to the UST Fund will commence again.

<sup>D</sup> NYS fund is not an assurance or a financial responsibility fund, tank owners need private insurance or be self-insured.

<sup>E</sup> Commercial Underground Storage Tank Program

<sup>F</sup> Oil Heat Program

\*\*Some sites in NM have exceeded \$1 million; however, their database does not allow them to find out the exact number for this question.
