* No updated response received for 2013 survey.

** These value represents the \$ difference between the Available Funds and total obligated funds. When this difference is above \$20M the state is required to stop collecting the fee until the difference reaches \$10M.

Additional information:

Fund floor: the amount at which the program starts collecting taxes or fees

Fund ceiling: the amount at which the program stops collecting taxes or fees

Outstanding claims: claims received by the State (costs incurred) but have not yet been paid
