³TX 2015 update: As of 8/31/2011, the fund is No longer available for corrective action at LPST sites unless the tank owner/operator is unkNown, unwilling, or financial unable to pay for the cleanup.

⁴VT has higher deductibles for single walled tanks.

⁵No change to information for WV. WV does Not have a state fund - the state insurance fund expended all remaining funds in 2003.

Additional information:

DC does Not have a reimbursable state fund program, all RPs must comply with corrective action requirements through other FR mechanisms, usually private/self insurance. DOEE can admiister state lead cleanup using LUST Trust Funds for emergency response and pursure cost recovery from the RPs.
